FEDERAL AVIATION ADMINISTRATION - PARTS MANUFACTURER APPROVAL

Dear Mr. Evans:

In accordance with the provisions of Title 14 Code of Federal Regulations (14 CFR), part 21, *Certification Procedures for Products and Articles*, subpart K, the FAA has found that the design data, based on test & computation submitted by Aero Brake & Spares, Inc., with your letter dated June 22, 2018, meet the airworthiness requirements of the regulations applicable to the products on which the articles are to be installed. Additionally, the FAA has determined that Aero Brake & Spares, Inc., has established the quality system required by section 21.307 at 6202 Civic Drive, Lago Vista, Texas, 78645. Accordingly, Parts Manufacturer Approval (PMA) is hereby granted for production of the replacement articles listed in the enclosed supplement number 82.

You are reminded that the provisions of 14 CFR parts 21 and 45, noted in our PMA letter of approval dated July 15, 2011, also apply to the enclosed PMA Listing-supplement number 82. The enclosed supplement should be retained with the original PMA letter as evidence of approval to produce the articles concerned.

Sincerely,

Ford J Lauer III  
Manager

Enclosure

**GENERAL NOTES:**

Provide minor design changes in a manner as determined by the ACO. Process major design changes to drawings and specifications in the same manner as that for an original FAA-PMA.

The FAA accepted the ICA approach for the above articles with their designs. These ICA may refer to those of the respective articles from the holders of type certificates. Otherwise, provide supplemental ICA for differences in the replacement articles. Make referral statements or supplemental
